WHICH CLUSTER WOULD YOU LIKE TO NOMINATE MEMBERSHIP IN?

[You can choose more than one if necessary]

<input type="checkbox"/> Cultural heritage & community	The aim of this cluster is to initiate interdisciplinary exchange within and between the fields of research on Asian Australian cultural heritage and community. This broad and interdisciplinary grouping includes those working on aspects of cultural heritage, community identities and politics, and cultural history projects.
<input type="checkbox"/> Film, literature & performance	The aim of this cluster is to initiate interdisciplinary exchange within and between the fields of research on Asian Australian literature, film and performance.
<input type="checkbox"/> Visual arts & new media	The aim of this cluster is to facilitate individual, collaborative, and interdisciplinary research in Asian Australian visual arts and new media, including cybercultures and related popular culture studies.
